## Packaging

---

Please retain all original packaging for the system and peripherals. If your system needs to be returned for servicing, it is best to send it in its original box and packing materials.

## Disposal

---

The hardware (computer and peripherals) that comes with this product should not be thrown away at its end of life. Contact your local authorized point of collect for recycling and environmentally safe disposing of this product. Follow local, state and national governing ordinances and recycling instructions regarding disposal or recycling of the device and device components, including batteries.

## Battery Disposal

---

Waste batteries should be collected separately for recycling or special disposal.
